Saur announces the signing of an agreement to sell Saur Colombia, its municipal water management business in Colombia, to the Spanish group Aqualia

With nearly 300 employees, Saur Colombia operates 6 water distribution and treatment concessions for municipalities located in northern Colombia. Saur Colombia generated revenues of around 12 million euros in 2021.

With revenues of 1.7 billion euros in 2021, Saur is one of the leading European groups specializing in water infrastructure management and water treatment services for local authorities and industry.

With the disposal of its municipal water management activities in Colombia, Saur is streamlining its geographic footprint and focusing its resources to execute its strategic plan.

The completion of the transaction is subject to the approval of the authorities in charge of anti-trust control.

About Saur: As a pure player in water and essential services, Saur works to protect the environment in the heart of the territories it serves. Saur has always acted to offer the same quality of service to small towns as to large cities, guided by its purpose: to restore to water the value it deserves. Saur worldwide presence: Cyprus, Colombia, France, Italia, Netherlands, Poland, Portugal, Saudi Arabia, Scotland, Spain, USA. 2021 key figures: €1.7 billion Group net revenue, 9,500 local authorities and industrial clients contracted, 12,000 employees and 20 million consumers served worldwide.
